*International Conference on*

# Cardiovascular Research and Cardio Care

Theme: *New Frontiers in Cardiovascular Research*

November **13-15**, 2018

## Venue

---

Radisson Hotel Baltimore  
Downtown-Inner Harbor  
Baltimore MD

## About Conference

United Scientific Group takes great pleasure to welcome you to the **International Conference on Cardiovascular Research and Cardio Care (CardioCare-2018) on November 13-15, 2018 in Baltimore, USA.**

This three day conference, has been designed to present and discuss the diagnosis and treatment paradigms for cardiac diseases, including medical, endovascular, surgical, and hybrid options.

The organizing committee is confident that participants will benefit from the high value scientific program, formulated by consulting the expertise in the field of cardiology and welcome all the researchers to join us for these 3 days of stimulating discussions, knowledge sharing and networking event.

## About Organizer

United Scientific Group (USG) is an expert-driven initiative with a vision to:

Identify and bridge the gap in knowledge by creating and implementing new scientific and technology specific platforms, forums and products to discuss bottle-neck issues and the recent research advances which need to be addressed and updated.

Publish and promulgate the innovative/noble research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.

Partnering with an objective to bridge the gap between business and science for the translation of scientific discoveries and innovative thoughts into implementable solutions and products which benefit humankind. Led by the editor's association and the advisory board which includes academicians, researchers, and industry leaders, the USG team is committed to work together and create a network which delivers the best scientific solutions and contributes the best services to the scientific community

## Scientific Topics

- Structural Heart Disease
- Arrhythmias
- Cardiac Biology, Hypertrophy, and Failure
- Dyslipidemia
- Cardio-Oncology
- Geriatric Cardiology
- Pediatric Cardiology
- Diabetes and Cardio-metabolic Disease
- Peripheral Vascular Disease
- Transplantation
- Valvular Heart Disease
- Atherosclerosis
- Diagnosis and Preventive Cardiology
- Hypertension
- Interventional Cardiology & Surgery
- Sports and Exercise Cardiology
- Cardiac Imaging
- Cardiac Stem Cells

## *Symposium on "Echocardiography"*

### Target Audience

- Researchers
- Vascular surgeons
- Cardiothoracic surgeons
- Interventional radiologists
- Cardiologists
- Anesthesiologists
- Physician assistants
- Nurse practitioners
- Perfusionists
- Health care professionals
- Students

### Special Features

- Panel discussions
- Interactive poster session
- Cross-disciplines
- Collaborations
- Mentoring from senior faculty
- Networking during customized social hours

## Mark your presence and meet your peers !

The conference helps you to..

### 1. Discover new and cutting-edge research

Gain insights about the latest science and enhance your knowledge beyond your scientific field of interest. With a robust scientific program, a new path that links and organizes select sessions from the scientific program into cross-disciplinary themes.

### 2. Unparalleled visibility for your science

The conference draws both luminaries in their fields and up coming talent. The meeting will attract active participants including students, academicians, policy makers and other high level decision makers. With this varied kind of participation come plenty of opportunities to seek out funding for new research and get quality feedback before publishing your research in a peer-reviewed journal.

### 3. Network with your peers

The meeting offers ample opportunities to network with your colleagues from various backgrounds and regions. Boost up your network with the peers at the opening ice breaker reception and connect with people who specialize in your field during daily networking breaks.

### 4. Give leads to your career

International Conference on **Cardiovascular Research and Cardio Care (CardioCare-2018)** can help you to achieve your career goal and increase your worth to potential employers.

## Dates to Remember

Conference Dates: **November 13-15, 2018**

First Round Abstract Submission Ends: **January 30, 2018**

Early Registration Ends: **February 14, 2018**

Second Round Abstract Submission Ends: **May 02, 2018**

Mid Registration Ends: **May 08, 2018**

Third Round Abstract Submission Ends: **August 02, 2018**

Late Registration Ends: **August 20, 2018**

Final Registration: **November 13, 2018**

## Registration

*All participants, except non-attending co-authors, must pay the appropriate registration fee.*

Category	Group(3 members)	Academic	Industry	Delegate	Student
<i>Early Bird Registration</i>	\$1299	\$549	\$699	\$599	\$199
<i>Mid Term Registration</i>	\$1699	\$749	\$849	\$799	\$399
<i>Late Registration</i>	\$2099	\$949	\$999	\$999	\$499

*Your registration includes:*

- *Access to main conference sessions, exhibits, poster sessions and round table discussions*
- *Conference material*
- *Tea / Coffee breaks, lunch during the conference days*
- *WiFi in meeting rooms*

# • Sponsorship •

***Support the event and take the advantage of getting connected with your target audience!***

The United Scientific Group (USG) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

**CardioCare-2018** three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
