

3rd International Conference On

Genomic Medicine

November 13-15, 2019

Venue

The DoubleTree by Hilton Baltimore-BWI Airport

890 Elkridge Landing Road - Linthicum

MD 21090, United States

About Us

Genomic Medicine (GeneMed-2019) conference will be the next iteration of taking genomic knowledge to transform the daily practice of medicine. The predominant goal of the conference is to lead efforts to use genomic knowledge to change medicine and make it far more precise and individualized. The multidisciplinary meeting will bring together the scientific community - principal investigators, scientists, researchers, health professionals, analysts, clinicians, policy makers, industry experts, the well-established and the budding entrepreneurs to create a worldwide dialogue on various aspects and challenges of devastating Genomic health conditions.

GeneMed-2019 will engage global audience for the exchange of ideas and perspectives for better understanding of origin, development, clinical and translation science to deliver potential cure for Genetically occurring diseases. The meeting will be highlighted with some of the top influential personalities involved in solving the mysteries of different genetical disorders.

The meeting includes Keynote sessions that feature speakers and abstract-selected talks that highlight innovative research across the wide-ranging background of genomics also includes experimental and computational approaches for effectively utilizing the latest DNA sequencing technologies in this three-day event.

We encourage delegates to use this conference as a meeting place to assemble their academic interest-groups for global deliberations.

About Organizer

United Scientific Group (USG) is an expert-driven initiative with a vision to:

- Identify and bridge the gap in knowledge by creating and implementing new scientific and technology specific platforms, forums and products to discuss bottle-neck issues and the recent research advances which need to be addressed and updated.
- Publish and promulgate the innovative/noble research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.
- Partnering with an objective to bridge the gap between business and science for the translation of scientific discoveries and innovative thoughts into implementable solutions and products which benefit humankind.

Led by the editor's association and the advisory board which includes academicians, researchers, and industry leaders, the USG team is committed to work together and create a network which delivers the best scientific solutions and contributes the best services to the scientific community.

Scientific Sessions

Genomics

- Structural and Functional Genomics
- Human Genomics
- Genetic Medicine
- Epigenetics
- Pharmacogenomics

Genetic Medicine

- Biomarkers
- Bioinformatics
- Precision, Personalized & Translational Medicine
- Molecular Pathology

Sequencing and Techniques

- Next Generation Sequencing
- Sequencing Technologies and Techniques
- Genome and Proteome Technologies
- Diagnostic and Therapeutic Issues

Important Dates

- Conference Dates: **November 13-15, 2019**
- Abstract Submission Opens: **August 31, 2018**
- Registration Opens: **August 31, 2018**
- Registration Closes: **November 13, 2019**

Special Features

- Panel discussions
- Interactive poster session
- Cross-disciplines
- Collaborations
- Mentoring from senior faculty
- Networking during customized social hours

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Group(3 members)	Academic	Industry	Delegate	Student
<i>Early Bird Registration</i>	\$ 3200	\$ 1099	\$ 1199	\$ 999	\$ 150
<i>Mid Term Registration</i>	\$ 4000	\$ 1399	\$ 1499	\$ 1299	\$ 200
<i>Late Registration</i>	\$ 5120	\$ 1758	\$ 1918	\$ 1598	\$ 250

Your registration includes:

- Access to main conference sessions, exhibits, poster sessions and round table discussions
- Conference material • Lunch, tea / coffee breaks during the conference days
- WiFi in meeting rooms • Free car parking

To register online unitedscientificgroup.com/conferences/genemed/registration_form.php

Registration includes

Access to main conference sessions, exhibits, poster sessions and round table discussions

Conference material

Lunch, tea / coffee breaks during the conference days

WiFi in meeting rooms

Accommodation

\$510 Single Occupancy

November 12-14, 2019 (3 Nights)

\$540 Double Occupancy

Sponsorship

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (USG) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

GeneMed-2019 three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.

SPONSORSHIP OPPORTUNITIES

US\$ 10000

US\$ 7500

US\$ 6000

US\$ 5000

US\$ 3500

US\$ 2000
