GOPE-2019

## ABOUT GOPE-2019

United Scientific Group (USG) successfully completed First International Conference on Gas, Oil and Petroleum Engineering, in Las Vegas, USA during November 14-16, 2016 (GOPE-2016) and Second International Conference on Gas, Oil and Petroleum Engineering, in Houston, TX, USA during February 26-28, 2018 (GOPE-2018). With the enthusiasm and prodigious success of two annual conferences, USG proudly announcing the Third International Conference on Gas, Oil and Petroleum Engineering at San Francisco, CA, USA during February 18-20, 2019 (GOPE-2019).

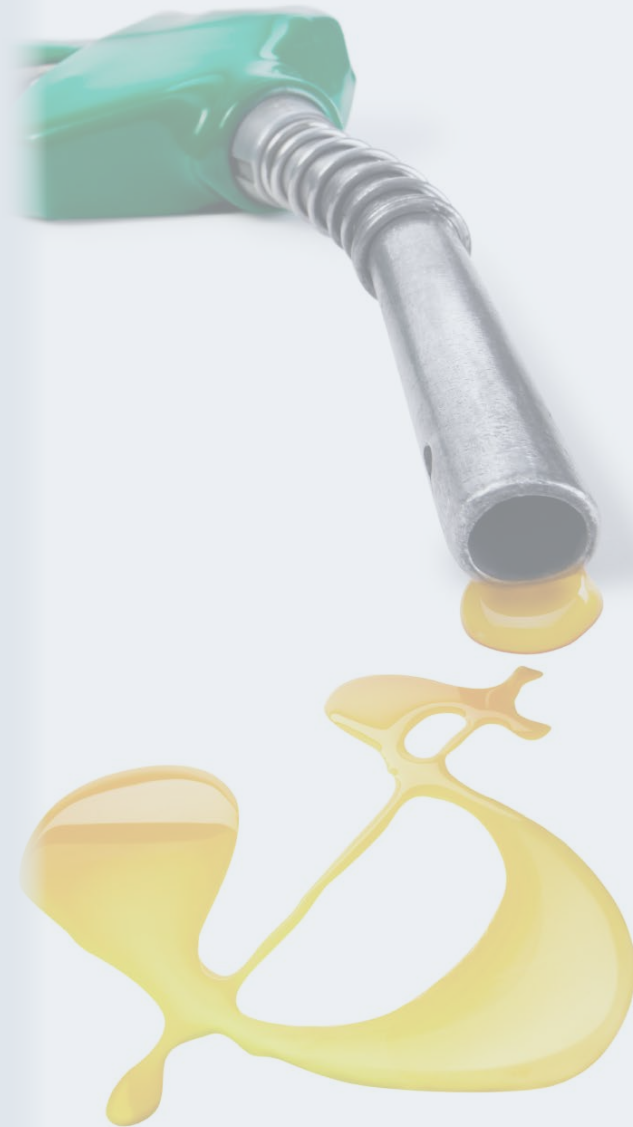

GOPE 2016-2018 conferences brought together more than 500 experts of the leading scientists and professionals institutes to share not only their knowledge, but their findings in the development of Gas, Oil and Petroleum Engineering.

*Theme: The New Energy Age*

## ABOUT ORGANIZER

United Scientific Group (USG) is an expert-driven initiative with a vision to:

- Identify and bridge the gap in knowledge by creating and implementing new scientific and technology specific platforms, forums and products to discuss bottle-neck issues and the recent research advances which need to be addressed and updated.
- Publish and promulgate the innovative/noble research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.
- Partnering with an objective to bridge the gap between business and science for the translation of scientific discoveries and innovative thoughts into implementable solutions and products which benefit humankind. Led by the editor's association and the advisory board which includes academicians, researchers, and industry leaders, the USG team is committed to work together and create a network which delivers the best scientific solutions and contributes the best services to the scientific community.

Sessions are designed to share knowledge, experience and innovation about the current status and future opportunities for the oil, gas and energy industry

## AGENDA:

- \* Critical issues of supply / demand dynamics
- \* Oil & gas market pressure points
- \* Key developments in energy security
- \* Premium networking opportunities
- \* Development and deployment of novel technologies

# SPONSORSHIP OPPORTUNITIES

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your marketing dollars

## Important Dates

- Conference Dates: February 18-20, 2019
- Abstract Submission Date: July 26, 2018
- First Round of Abstract Submission Date: July 26, 2018
- Second Round of Abstract Submission Date: November 13, 2018
- Mid Registrations: After November 5, 2018

Meet our experts  
at  
San Francisco, CA, USA

- \* Service & Supply Companies
- \* Petroleum Industry Consultants & Researchers
- \* Contractors & Sub-Contractors to the Upstream Industry
- \* Drilling Supervisors/Drilling Engineers
- \* Petroleum Engineers/Reservoir Engineers
- \* Oilfield Service Technologists/Oilfield Service Providers

Reach a High  
Qualified  
Target  
Audience  
with this  
Strategic  
Opportunity!

## SCIENTIFIC SESSIONS

- \* Geology & Exploration
- \* Reservoir Characterization
- \* Drilling Operations
- \* Oil and Gas Fields
- \* Pipeline Transportation and Storage
- \* Coal Geology
- \* Processing & Refining
- \* Combustion Engines
- \* Fuel Chemistry
- \* Enhanced Oil Recovery
- \* Applied Catalysis
- \* Chemical Reaction Engineering
- \* Unconventional Energy
- \* Chemmotology Aspects
- \* Green Energy
- \* Renewable Energy
- \* Environmental and Health Issues
- \* Energy Supply and Economics
